

Lancaster & Morecambe Model Aircraft Club

EGM Agenda for Thursday 5th May 201, 7.30pm

1. Apologies
2. Proposed changes to constitution so that we can join the CASC organisation
 - a. The amendments are minor- we have to delete paragraph 11 as it is covered in paragraph 5. (the bit in paragraph 11 regarding members being on probation for 6 months is, according to CASC, not correct as even in their first 6 months new members still have voting rights and are therefore technically not actually on probation. We also need to spell out that we are an amateur, non-profit making organisation. In terms of the Constitution that's all there is to it!
3. Changes to charging rates for use of club trainer
4. Proposal to confirm Tom Leaming as LAMMAC Liaison Officer (as well as 'presidente!').
5. Proposal to allow secretary to sign cheques
6. Discussion re talking to farmer over extending mown area but NOT the size of the flying circle.
7. News re new members and current membership
8. AOB

I am willing to put on a demonstration of the club's website if required so that everyone can use it properly.
